❖ WINTER 2025

June 2025

Winter is Upon Us...

Time truly flies when you're busy! Winter has made a firm arrival with across South Africa with temperatures dropping as low as -1 degrees in some regions. We've reached the halfway point of the year, and we're incredibly proud of how well the children performed during the first term. We're eagerly awaiting their June results!

On the 28 February, we hosted our Annual Charity Golf Day – and what a day it was! Our children lit up the event with vibrant dance performances for our guests and sponsors. Thanks to everyone who participated, we were able to raise **R139 500.00!** A heartfelt thank you to each and every person who helped to make this possible. Your support means the world to us.

Thank You, Angela Prebble

A special shout-out to Angela Prebble for her generous donation of shirts, t-shirts and shorts for the children. Your kindness brought huge smiles to our kids' faces. We are deeply grateful!

Computer Project Update

Computer training is in full swing, and it's been a joy to see how our children – many of whom never touched a computer screen or mouse before and are progressing so quickly. T

The Grade R (5-6 year old) were the first to start, and they've already **passed their computer exams**. We can't wait to see their proud smiles when they receive their certificates at the end of the term.

Our Computer Lab also got a much-needed facelift.
